

**THANK YOU for your support! Your efforts helped us raise over \$32,000 for pediatric cancer patients at Children's of Alabama.**

On behalf of the Alabama Center for Childhood Cancer and Blood Disorders at Children's of Alabama, we appreciate your personal commitment and dedication to our goal. Your investment in the Center is making a difference in the lives of the children of Alabama. It is a powerful and meaningful expression to see individuals and local organizations really care about our efforts. It means so much to know that our community is behind us as we remain "Committed to a Cure" for all children. Thank you for choosing to be part of our team.

Our hearts are deeply grateful for every person that was a part of the Tristates 100 2018. What an amazing event!! Every committee member, sponsor, volunteer, donor, and rider helps to make life better for families who are walking this difficult journey. For us, it is especially meaningful because it helps to keep our daughter's legacy of caring and giving alive. You are each a hero to us and we love and appreciate you for your contribution. Ride on! - *Larry and Janice Pitchford*
